Dear President LaRoche

Congratulations are proudly extended to the men of the Mu Lambda Chapter from your philanthropic partners – the **Mu Lambda Foundation, Inc.**

For over 98 years, since the founding of the Beta-Mu Lambda Corporation, a predecessor organization, in 1925, the two entities have come together to improve our community. The Beta-Mu Lambda Corporation was succeeded by the Henry Arthur Callis Foundation. Using the combined talents and treasures of the Chapter and the Foundation, charitable activities were held and scholarships were granted to local high school students in need.

In 1994, the current Mu Lambda Foundation replaced the Callis Foundation and was subsequently declared a 501(C)3 organization by the IRS. Our new Foundation was dedicated to continuing and enhancing fundraising efforts. With the support of the Chapter, the Foundation has awarded over \$310,000 in scholarships to students in the Washington Metropolitan Area. Presently, the Mu Lambda Foundation sponsors the Henry Arthur Callis Academy at Hart and Kramer Middle Schools and Frank Ballou Senior High School in southeast DC. The Academy provides mentorship by Chapter members and the MLF Board of Directors to over 80 students in grades 7 – 12. Starting in 2022, the Mu Lambda Foundation awarded scholarships of \$2,500 each to two graduates of the Academy. These scholarships are automatically renewed throughout the four years of postgraduate education of the young men.

Again, congratulations on a century of service – Making a Difference in DC since 1923! We know the next 100 years will be all the more impactful!

WELCOME MESSAGE

Brothers of Mu Lambda Chapter, Friends and Family Members,

It is with great excitement that I welcome you to our Centennial Celebration. I anticipate during this Centennial gathering that we will experience a renaissance of our collective commitment to Mu Lambda and Alpha Phi Alpha Fraternity Inc. The journey to our Centennial has been filled with many accomplishments and contributions to this region, the nation and the world.

Since its chartering on October 1, 1923 Mu Lambda Chapter has continued to leave an indelible mark upon the individuals and organizations we have supported and partnered with to further the AIMS and mission of Alpha Phi Alpha Fraternity Inc. Through our work with the Henry Arthur Callis Academy providing mentorship, and academic support to young men in Ward 8 to our awarding over \$300,000 in scholarships we are ensuring that the vision of our 22 charter members is fulfilled.

In addition to our visionary charter members several former members played an active role in the civil rights movements including Charles Hamilton Houston, Belford Lawson Jr, and Thurgood Marshall. Through their service and advocacy housing discrimination laws were changed, black students were given additional access to post secondary education, and discriminatory employment practices were changed.

The events of the Centennial week have been designed to highlight the continued contributions of Mu Lambda chapter. A special thank you is extended to the members of the Centennial committee for their hard work in ensuring that this week is filled with memorable and exciting activities. As a committee we are grateful for the support of the entire Mu Lambda chapter over the past two years.

My brothers congratulations on 100 years of service and advocacy!
